The Minister recommends that the aforesaid Order in Council be amended accordingly.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

[1342.]

AT THE GOVERNMENT HOUSE AT  
OTTAWA.

Wednesday, the 22nd day of May, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-  
GENERAL IN COUNCIL.

THE Minister of the Interior, under date the 14th May, 1912, states that the Regulations for the disposal of Dominion lands within the Railway Belt of British Columbia approved by Order in Council of the 17th September, 1889, provided by section 40 thereof that any person specially authorized by the Governor in Council shall, in relation to matters coming within the scope of the said regulations, have power to summon before him any person; to examine such person under oath; to compel the production of papers and writings, etc.;

That Samuel Mabey, of the Department of the Interior, has been instructed and empowered in the capacity of Superintendent of British Columbia Dominion Lands; to inquire into and investigate all matters relating to Dominion lands and timber in the Railway Belt; to hear and adjudicate on claims of settlers, squatters, and others to homestead entry or patent; to inquire into the holding of lands under timber licence affected by the claim of squatters or settlers; to cause necessary inspections of land or timber to be made, and to investigate all matters of dispute or grievance affecting such lands or timber;

That, to enable him to properly perform the duties assigned him as aforesaid, it is necessary that the said Samuel Mabey should have the powers described in the said section 40.

The Minister, therefore, recommends that Samuel Mabey be specially authorized to exercise the powers set forth in said section 40 of the said regulations.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,

je13

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT

Monday, the 13th day of May, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-  
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 10th May, 1912, that by Order in Council of the 8th December, 1911, authority was granted for the issue of a permit to the Nicola Valley Pine Lumber Company to cut timber on the North Half of Section 9, Township 13, Range 23, west of the sixth meridian, on payment of dues at the rate of \$2 per thousand feet B.M., according to the British

Columbia log-scale. Representations have been made that the rate of dues chargeable is creating too heavy a burden for the company. From the Timber Inspector's report, it appears that the company faced exceptional difficulties in removing timber; that it was only possible to remove 100,000 feet, leaving about 1,500,000 feet on the ground, 90% of which is pine, which will deteriorate greatly in value before it is taken out next season.

The Minister, therefore, recommends that the Order in Council, above referred to, be amended so as to provide that the dues chargeable shall be \$1.50 per thousand feet B.M.

The Committee submit the same for approval.

AT THE GOVERNMENT HOUSE AT  
OTTAWA.

Friday, the 8th day of December, 1911.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-  
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 1st December, 1911, that the General Manager of the Nicola Valley Pine Lumber Company, has made application for a permit to cut the timber on the North Half of Section 9, Township 13, Range 23, west of the sixth meridian, which half-section adjoins territory on which his company holds a permit to cut timber from the Provincial Government of British Columbia. It is represented that if a permit to cut the timber in question cannot be secured, the company will be obliged to remove its camp; and a report has been received from the Agent of the Department of the Interior at Kamloops to the effect that the company is providing employment for a large number of men, thus meeting a long-felt need in the district.

The Minister recommends, in view of the circumstances connected with the case, that he be granted authority to issue a permit in favour of the company, to cut the timber applied for, subject to dues at the rate of \$2 per thousand feet B.M., according to the British Columbia log-scale, and that timber cut, of any other class, be subject to the dues provided in clause (a) of section 42 of the timber regulations.

The Committee submit the same for approval.

AT THE GOVERNMENT HOUSE

Saturday, the 27th day of April, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-  
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 18th day of March, 1912, that the Canadian Pacific Railway Company has applied for twenty-one and three-tenths (21.3) acres of the foreshore of Shuswap lake adjoining the Company's station at Sicamous Junction, more particularly described as follows:—

"All and singular that portion of the foreshore of Shuswap lake situate in the north-east quarter of Section 35, in the twenty-first (21) township, of the eighth (8) range, west of the sixth meridian, in the Province of British Columbia, containing nineteen and one-tenth (19.1) acres more or less, as shown outlined in red on the plan hereto attached and which may be more particularly described as follows: Beginning at the point on the easterly boundary of said Section 35, five hundred and twenty feet (520') south of the north-east corner of said Section 35, thence south seventy degrees west (S. 70° 00' W.) a distance of twenty-eight hundred and thirty feet (2830') more or less to a point on the west boundary of the north-east quarter of Section 35; thence southerly along the said west boundary of the north-east quarter of Section 35, a distance of three hundred and fifty feet (350') more or less to low-water mark of

Shuswap lake; thence north-easterly, following the said low-water mark to its intersection with the east boundary of said Section 35, thence northerly following said east boundary a distance of one hundred and fifty-four feet (154') more or less to the place of beginning.

"Also that portion of the foreshore of Shuswap lake situate in the north-west quarter of Section 36, in the said township, containing two and two-tenths (2.2) acres more or less as shown outlined in red on the plan hereto attached, and which may be more particularly described as follows:—Beginning at a point on the west boundary of said Section 36 five hundred and twenty feet (520') south of the north-west corner of said Section 36, thence due east a distance of five hundred and forty feet (540') thence south thirty-four degrees east (S. 34° 00' E.) a distance of three hundred and twenty-five feet (325'); thence due west a distance of fifty feet more or less to low-water mark of Shuswap lake; thence, northerly and westerly, following said low-water mark to its intersection with the west boundary of said Section 36, thence northerly following said west boundary a distance of one hundred and fifty-four feet (154') more or less to the place of beginning.

The Minister states that the application has been investigated on the ground by an engineer of the Department of Interior, who reports the foreshore rights are necessary in the interest of the Company, and recommends that the application be granted; that the application has also been favourably reported on by an engineer of the Department of Public Works, and that Department has signified its approval to a grant to the Company with the reservation regarding wharfage hereinafter recommended.

The Minister, therefore, recommends that he be authorized to issue a licence of occupation to the Canadian Pacific Railway Company for the foreshore lands described above, containing twenty-one and three-tenths (21.3) acres more or less, and shown outlined in pink on the plan hereto attached; the said licence of occupation to be for a term of ten years, at an annual rental of \$10, and renewal upon mutual agreement between the Minister of the Interior and the Company; reserving to the Crown in the interest of the public, the right to use for wharfage and landing purposes not more than 300 feet frontage of the area above described, also reserving to the public access to this frontage through or over the foreshore above described; the location and construction of any public docks, wharves, or other landing-places adjoining the area above described, to be with the approval of the Department of Public Works.

The Committee submit the same for approval.

Saturday, the 4th day of May, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-

THE Minister of the Interior, under date 9th April, 1912, submits,—with reference to Orders in Council, dated 5th January, 1901, and 2nd January, 1908, authorizing the Minister of the Interior to confirm certain water rights covering water-power developments on the Stave River, in the Railway Belt of British Columbia, granted the Stave Lake Power Company, Limited, by the Province of British Columbia,—that under authority of these water rights the Stave Lake Power Company, Limited, proceeded to develop the water power of the Stave River.

The Minister states that the Stave Lake Power Company, Limited, has been succeeded by the Western Canada Power Company, Limited, which Company has expended to date in connection with its power developments on the Stave River, over \$5,000,000, and has at present completed all works and construction, including power plant at the Stave River, transmission lines to Vancouver, Mis-

For Power Site Purposes:

That portion of Section 19, Township 18, East Coast Meridian, covered by the waters of Stave River .....	40.6 acres.
That portion of the North Half of the S.E. ¼ of Section 10, Township 15, East Coast Meridian, covered by the waters of Stave River, 7.0 "	
The Fractional North Half of the S.E. ¼ of Section 10, Township 15, East Coast Meridian, west of the Stave River.....	47.2 "
Total.....	94.8 acres.

For Flooding Purposes:

Those lands particularly described in the Schedule hereto attached, comprising an aggregate area of about 4,740 acres.

The Minister further states that while the Company's application for additional land has been recommended for approval after careful inspection on the ground by an engineer of the Department of the Interior, and has been confirmed by official surveys accepted by the Surveyor-General of Canada, no further action has been taken by the Department of the Interior owing to litigation involving the rights of Canada and the Province of British Columbia in the administration of water rights, including water powers, within the Railway belt of British Columbia;

That the lands required for power site purposes are clear and available for disposition to the Company, but a considerable portion of the lands required for flooding purposes are covered by timber berths held under licence from the Department of the Interior, and a small portion is either under homestead entry or claimed by squatters;

That the Company has already, at considerable expense, secured relinquishment to the Crown of the claims of most of the said squatters and homesteaders, and is now endeavouring to secure from the owners of timber berths affected a release to the Crown of the land required by the Company within their berths.

The Minister, therefore, recommends, in view of the favourable report of the departmental engineer, of the expense incurred by the Company to date, in securing relinquishment to the Crown of the rights or claims of homesteaders and squatters affected, of the Company's willingness to secure and file in the Department of the Interior release to the Crown of the land covered by timber berths, and especially in view of the transfer of administrative control of water rights, including water powers, within the Railway Belt of British Columbia to the Crown in the right of the Province of British Columbia,—that he be authorized:

(a.) To forwith sell the Western Canada Power Company, Limited, the lands required for power site purposes (particularly described above) at \$10 per acre.

(b.) To sell the Western Canada Power Company, Limited, the lands set out in the Schedule hereto attached, required for flooding purposes, at \$5 per acre, as same are made available for such sale, by the Company furnishing, to the satisfaction of the Minister of the Interior, relinquishments to the Crown of all the rights or claims of all homesteaders and squatters affected, and also releases from the owners of timber berths of the land within their berths required by the Company.

The Committee submit the foregoing recommendation for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.
